MADE IN U.S.A.

NET WT. 32lbs (14.5kg) | Covers up to 2,500 sq. ft. | FL, MI 8,000 sq. ft.

CAUTION:

- 1). Storage/Handling - Store in original packaging, in a cool, dry place, out of reach of children and pets. Wash skin with soap and water after contact with fertilizer.
- 2). First Aid - When the product comes into contact with eyes, remove contact lenses, if present, hold eye open and rinse gently with water for 10-20 minutes. Contact a poison control center or doctor for ingestion treatment advice.
- 3). Moderate to high wind conditions can cause uneven or off target application.
- 4). Apply only to actively growing turf. Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands in your driveway, sidewalk, or street, back onto your lawn. Check with your local Cooperative Extension Agency to obtain specific information on local turf best management practices. Check with your county or city government to determine if there are local regulations for fertilizer use.
- 5). Phosphorus Turf Laws: This product contains phosphorus. In states with phosphorus restrictions, such as NY & MD, a soil test may be required indicating a phosphorus deficiency. In the first growing season, this product may be used for establishment of a new lawn from seed or sod. Prior to application, check your state specific fertilizer laws for additional information.
6. ⚠Warning: This product can expose you to chemicals, including lead, which is known to the State of California to cause cancer, birth defects or other reproductive harm. For more information, go to www.p65warnings.ca.gov. When this product is used properly, no evidence indicates any additional risks of birth defects, cancer, or other reproductive harm.

TERMS AND CONDITIONS OF FLORIDAGREEN:

- a. Read the directions for use, inherent risks and conditions of use before using FloridaGreen. If the terms are not acceptable, return the unopened product to the store immediately. By using this product, the user or buyer accepts the following conditions and inherent risk of use.
- b. Conditions - It is impossible to eliminate all the risks associated with FloridaGreen. The directions are believed to be sufficient and must be followed carefully.
- c. Inherent Risks of Use - To the extent consistent with applicable law, the seller, or manufacturer shall not be held liable for special, consequential or indirect damages resulting from the handling, use, disposal, application or storage of FloridaGreen, or for damages in the nature of penalties. The buyer and the user waive any right that they may have any such damages.
- d. Notice - Seller makes no guarantee, expressed or implied, regarding the use of this product other than specified on the label. Buyer assumes all risk of use and/or handling of FloridaGreen when such use and/or handling is contrary to label instructions.

NITROGEN RESTRICTIONS

For states with nitrogen usage restrictions, including but not limited to MD, ME & NH, do not apply more than 0.9 lbs. total nitrogen per 1,000 sq. ft. per application and not more than 2 lbs. of nitrogen per 1,000 sq. ft. annually. Prior to application, check your state specific fertilizer laws for additional information.

Information regarding the contents and levels of metals in this product is available on the internet at <http://aapfco.org/metals.html>

Information about the components of this lot of fertilizer may be obtained by writing MB Distribution, 8811 West 500 North Kokomo, IN 46901 and giving the lot number found on this bag.
